

Mission Statement

The Environmental Services Section's goals are to achieve the highest possible level of environmental quality for Covina residents and businesses and to comply with all state and federal environmental regulations affecting Covina. These are accomplished by implementing beneficial, cost effective and convenient environmental and waste management programs.

Major Responsibilities of the Environmental Services Section

- Administering [refuse collection](#) , [recycling and green waste programs](#) , and also the backyard composting program;
- Implementing [storm water pollution prevention](#) programs;
- Promoting proper disposal of household hazardous waste and recycling used oil;
- Promoting [energy efficiency, conservation and sustainability](#) ; and
- Maximizing [air quality](#) standards through programs such as ride sharing and compressed natural gas vehicle fueling.
